From the Organiser's Desk

"Update or outdate" has become the present day maxim in the fast paced world that we live in today.

Over these three decades, since the start of the upward trajectory of interventional Gastroenterology, the bold newer techniques of precision diagnostics as well as the therapeutic endoscopy procedures have been evolving in tandem to benefit the patients. Thanks to the percolation of these techniques, today we at MedIndia have these in our repertoire to handle bigger challenges.

This annual live workshop showcases basics in endoscopy as well as some of the recent advances to update on the emerging techniques like Sub Mucosal Tunnel Endoscopic Resection Surgery, EMR, ESD, POEM, Spy Glass, Laser Lithotripsy etc.

DEW 2016 will offer a great platform to unearth conceptual clarity and reinforce core technical aspects step by step for both the beginners and advanced practitioners alike.

The highlight of DEW 2016 is an INDO-AAGIO (Association of American Gastroenterologist of Indian Origin) summit, wherein the Indian stalwarts from USA will be focussing their areas of interest, interacting with our national experts and delegates.

Seize this opportunity to register in advance and reap the benefits.

Yours Sincerely,

Dr. T.S. Chandrasekar, MD, DM, D.Sc, FRCP (Glasg), FASGE, FRCP (Edin.), FICP, FIMSA
Organising Chairman & Principal Faculty, DEW -2016
Founder Chairman & Chief Gastroenterologist, MedIndia Hospitals
President Elect, Indian Society of Gastroenterology

Dr. B. Ramathilakam,
MD,DM (Gastro)

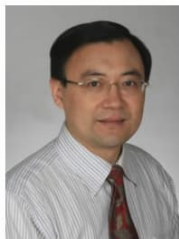

Dr.S.Thirugnanasambandam,
MD, DA

PATRONS

Dr. M. Ahmed Ali, MS, M.Ch, D.Sc
Dr. K. Raghuram, MD, DM
Dr. R. Balasubramaniam, MD, DM

International Faculty - Brief Bio-Data

Dr. Pinghong Zhou, MD

Deputy Director of Endoscopy Centre, Zhongshan Hospital
Endoscopy Centre, Fudan University, China

His interests are EUS, NBI, Per Oral Endoscopic
Myotomy (POEM), EMR and ESD

Dr. Ram Chuttani, MD, FASGE

Director of Interventional Gastroenterology and Endoscopy
at Beth Israel Deaconess Medical Center & Assistant
Professor of Medicine at Harvard Medical School, USA

His clinical interests are Therapeutic
Endoscopy, Colonoscopy & ERCP

Dr. Prateek Sharma, MD, FASGE

Professor, Gastroenterology, Hepatology & Motility,
Kansas University Medical Centre, USA

His areas of focus include Barrett's esophagus, esophageal
cancer and gastro esophageal reflux disease

Dr. Murthy Badiga, MD

Clinical Associate Professor of Medicine at UT San Antonio
Health Sciences Center/RAHC, USA

He focuses on Advanced Endoscopic Therapy, Therapeutic
ERCP and EUS

Dr. Krishnavel V. Chathadi, MD

Director of Endoscopic Services for Gastroenterology
Advanced Therapeutic Endoscopy Division of Gastroenterology
Henry Ford Health System, Detroit, Michigan, USA

His areas of interest are Advanced Endoscopy
including ERCP and EUS

Dr. Krish Rangunath, MD

Professor & Head of GI Endoscopy, Queens Medical
Centre Campus, Nottingham University Hospitals,
Nottingham, UK

He is interested in Advanced Imaging (NBI, AFI),
EMR/ESD, EUS & Barrett's esophagus

Scientific Program Highlights "State-of-the-Art" Lectures

International Faculty

1. Endoscopy Shuttle for Third space – Submucosal Tunnel Endoscopic Resection (STER) / POEM - **Prof. Pinghong Zhou, China**
2. "Heavy weight" evidence for Bariatric Endotherapy -**Prof. Ram Chuttani, USA,**
3. Concepts & Controversies in Barrett's Esophagus -**Prof. Prateek Sharma, USA**
4. Circumventing difficult biliary cannulation -**Prof. Krishnavel Chathadi, USA**
5. Technical Advances in colonoscopy -**Prof. Murthy Badiga, USA**
6. Enhancing endoscopic diagnostic imaging
Case capsules – discussion -**Dr. Krish Ragunath, U.K.**

National Faculty

7. Landmark progress in endotherapy for portal hypertension
8. Circumstances that led to the discovery of various G.I. Endoscopy Innovations
9. Augmenting Endoscopy Research in India
10. Top 10 Landmark publications in G.I. Endoscopy
11. Competitive Investigative tools for small intestinal diseases – Panel Discussion-
12. **INDO-AAGIO Dinner Debate & Symposium**

Program Highlights

1. Basics for Beginners and Fine Tuning for Consultants
2. New Techniques and New Orientation
3. Endoscopy Shuttle for Third Space
4. Debates – concepts in controversies and controversies in old concepts
5. Dexterity & Diligence showcased by National & International faculty
6. Hand "full" of Hands-On-Training
7. Pragmatic Course for Post Graduates

LIVE WORKSHOP

1. Dexterity & Diligence will be showcased by

National & International faculty to spell out step-by-step technical details of basic & Advanced procedures for the delegates to enrich their competency further.

2. Basics for beginners & Fine tuning for consultants

Basic:

Banding / Stricture dilatation /
ERCP - Small stone retrieval etc.,

Advanced:

Spyglass, Laser Lithotripsy,
POEM, EUS interventions etc.,

3. New Techniques & Orientation

1. STER / EMR/ ESD
2. Bariatric Endotherapy
3. Anti reflux Endotherapy
4. Orientation to Newer
Accessories - Stents /
Sphincterotomes /
Suturing device etc.

“Hands on Training” Workshop

Hands on training on Monday, the 19th September, 2016.

- **Course 1** – Upper G.I. Endoscopy (Registration Fee Rs. 15,000)
- **Course 2** – Colonoscopy (Registration Fee Rs. 20,000)
- **Course 3** – ERCP (Registration Fee Rs. 25,000)
- **Course 4** – EUS (Registration Fee Rs. 30,000)
- **Course 5** – Spy Glass (Registration Fee Rs. 25,000)

Courses 1, 2, 3, 4 & 5 will be conducted on Monday, 19th September, 2016.

- 5 station based training programs.
- One to one interaction with the faculty.
- Course timings will be between 9.00AM and 5.00PM
- Comprehensive Course materials
- Practical tit-bit sessions
- Question & Answer session
- Tricks of the trade to overcome difficult situations.
- Specific lectures on Do's and Don'ts in G.I. Endoscopy
- One Complimentary CD-ROM on ERCP/Colonoscopy/UGI Therapeutic will be provided as per the course attended
- Course is restricted to a specific number of delegates on a 'first come first' served basis
- Delegates who have registered for more than one course shall be required to stay back as per training schedule.
- **Eligibility**– Minimum MD, MS for Courses 1 & 2, DM, M.Ch or equivalent for Courses 3, 4 & 5 and compulsory registration and full attendance of the Live Workshop on 17th & 18th September, 2016 is mandatory.

Note : Hands on Training is just an exposure to various procedures.

It will not guarantee that the participant will perform all these procedures unsupervised without further dedicated training. Payment for Hands on Training will have to be made separately in addition to the payment for live Workshop.

About MedIndia Hospitals *An Overview*

MedIndia Hospitals is a pioneering institution for Medical and Surgical Gastroenterology and allied Specialities, equipped with “**State of the art**” facilities and manned by an efficient team. It comprises of **Hospitals, Academy, Research Foundation, Charitable Trust and Rural Voluntary Health Services.**

MedIndia has decades of experience in advanced therapeutic endoscopic procedures like

- EUS (Endo Ultrasonography)
- ERCP, Per Oral Endoscopic Myotomy (POEM)
- Spyglass Cholangio Pancreatoscopy
- High Resolution Manometry
- Capsule Endoscopy and
- Surgical procedures like Whipple's operation
- Hepatico jejunostomy
- Esophago Coloplasty
- Hepatic resection and
- Advanced Laparoscopic Procedures.

MedIndia Academy has conducted **9 International G.I. Live Workshops, 15 National Conferences, 22 Regional Conferences, 175 Weekly Gastroenterologist Meetings and 14 Endoscopy Crash Courses** so far.

Unique facilities at MedIndia Hospitals

- Advanced Therapeutic Endoscopy & Laparoscopy
- Endo Ultra Sonography (EUS)
- Capsule Endoscopy
- Balloon Enteroscopy
- Argon Plasma Coagulator
- C-ARM/ DSA/ Interventional Radiology
- High Resolution G.I. Manometry
- 24 Hrs Esophageal pH Recorder
- Spy Glass Cholangio Pancreatoscopy
- Holmium Laser Lithotripsy
- H2 Breath Test Analyser
- Medical & Surgical Bariatric Unit
- Intensive Digestive Care Division
- Constipation Relief Lab, Anorectal Manometry, Bio Feedback Therapy & Defecography.
- Surgical GE & Oncology Unit
- Endoscopy Learning Centre
