Accredited by :

The Tamilnadu Dr. MGR Medical University with CME CREDIT

From The Organizer's Desk

“Ought to know something about everything”, has become the doctrine of necessity for family Physicians, Consultant General Physicians and Surgeons, for a successful clinical practice.

With fields like gastroenterology advancing very fast, it has become imperative for the medical fraternity to sit down for a while and update the recent advances.

MedIndia, offering a range of contemporary treatment services, has organized a day long CME program in a very interesting manner like T20 matches, without losing the essence.

Please register in advance and pass on the benefits to the needy.

Yours Sincerely,

Dr. T.S. Chandrasekar, MD, DM, D.Sc, FRCP (Glasg), FASGE, FRCP (Edin.), FICP, FIMSA
