### *From the Organiser's Desk*

"Ought to know something about everything", has become the doctrine of necessity for Family Physicians, Consultant General Physicians and Surgeons, for a successful clinical practice.

With fields like Gastroenterology advancing very fast and sub specializing into luminal Gastroenterology, Hepatology, biliary-pancreatology, advanced endotherapy, third-space endoscopy, endoultrasonography, transplant sciences etc, it has become imperative for the medical fraternity to sit down for a while and get updated on the recent advances.

MedIndia Hospitals, offering a range of contemporary treatment services in Medical and Surgical Gastroenterology, has organized a day long CME Program, 'GE- DAY 2018', which will be a "Scientific Combo in a Capsule Form". Hence, not to be missed by any doctor who cares for Gastroenterology in his or her

The whole CME program has been designed as multiple interactive sessions with **Voting-Pad Audience Response System**.

Finally "Loss should not be yours" missing this conference, but "Gain should be all ours" by joining together in this conference.

With regards

**Dr. T.S. Chandrasekar**, MD, DM, D.Sc, FRCP (Glasg), FRCP (Ireland)
